

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HJR 88

February 14, 2017

SUMMARY OF BILL: Requires the tactile Braille American flag to be displayed in the public lobby of the new legislative office building beginning in FY17-18.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - \$300/One-Time

Assumptions:

- The tactile Braille American flag is a fully tactile graphic accompanied with a user key that aides the blind in denoting the orientation, and colors of the American flag's stripes, stars and blue field.
- The Kansas Braille Transcription Institute (KBTI) sells flash bronze Braille flags for permanent indoor display. The resolution requires one braille flag to be displayed in the public lobby of the new legislative office building.
- Based on information from Legislative Administration and the KBTI's website, the one-time increase in state expenditures for a flash bronze braille flag is estimated to be \$250.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in blue ink that reads "Krista M. Lee".
